Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Thursday 06 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showers clearing to leave clear spells overnight. Breezy.

This Evening and Tonight:
During the evening further showers push south into the region with clear spells developing between. Overnight clear spells become widespread but with a notable breeze. Minimum temperature -1 deg C (30 deg F).

Friday:
A cold start for some with sunny spells and scattered showers developing through morning. Showers will gradually fade during the afternoon to leave plenty of sunny spells. Winds becoming lighter. Maximum temperature 12 deg C (54 deg F).

Outlook for Saturday to Monday:
Wet and windy on Saturday with spells of heavy rain. Rather cloudy on Sunday with outbreaks of rain, but milder. Sunny spells and scattered heavy showers on Monday.
